To whom it may concern

Marston Moreteyne VC School and engagement with Marston Moreteyne Parish Council

Marston Moreteyne Parish Council (MMPC) has a good working relationship with the Marston Moreteyne VC School (MM school) and both parties endeavour to support each other where possible. Examples of our engagement together include:

- MM School and MMPC have a parking arrangement where the community centre car park is permitted for parents/carers to use during drop off and pick up times. This arrangement aims to make it easier and safer for children and parents alike.
- MM School has used/uses the community centre for the following,
 - as a venue for emergency evacuations.
 - a venue for training.
 - weekly stay and play sessions alongside Flitwick local children's centre for families in the community. The school's family support worker hosts these sessions, inviting parents of children at the school to speak with her in a relaxed and open environment on any issues they may have. This has been running for 18mths from the community centre and works exceptionally well, drawing in large numbers and is a key asset to the community.
- MM School supports MMPC through the distribution of their monthly village newsletter to their parent distribution list.
- MM School is classed as one of the key parish organisations who are regularly contacted and involved in community related discussions and initiatives – for example parish community events, discussions such as warm spaces and food banks.

Should any further information be required please feel free to contact me directly.

Hazel Trustam
Parish Clerk
