Dear Parent/ Carer,

20<sup>th</sup> June 2022

### Operation Encompass

Our school has been given the opportunity to take part in a project that will run jointly between schools, Bedford Borough Council, central Bedfordshire Council and Bedfordshire Police

Operation Encompass is the reporting to schools, prior to the start of the next school day, when a child or young person has experienced or been exposed to any domestic abuse.

Operation Encompass will ensure that a member of the school staff, known as a Key Adult, is trained to allow them to liaise with the police and to use the information that has been shared, in confidence. This will ensure that the school is able to make provision for possible difficulties experienced by children, or their families, who have been experienced a domestic abuse incident.

The key Adult in our school is Amanda Watts for Operation Encompass. Our school safeguarding team are also available should you require support with any safeguarding concerns including Domestic Abuse.
