

M a t h s

Year Two

Number

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

amount of beads.

	16
$10 + 6 = 16$	
	12
$10 + 2 = 12$	
	17
$10 + 7 = 17$	
	22
$20 + 2 = 22$	
	25
$20 + 5 = 25$	

I can read and write numbers to 100 in digits and words.

Shape

I can describe the properties of 3D shapes (vertices, edges, faces).

Shape	Name of shape	Number of vertices	Number of edges	Number of faces	Draw the shape
	cylinder	2	2	3	
	sewer	8	8	6	
	cuboid	8	4	6	
	cone	0	1	2	
	pyramid	5	5	5	
	cylinder	5	5	5	

Calculation

I can solve number problems by applying different methods.

Measure & Data

I can measure and record capacity using standard units.
