Tuesday 16th June 2026

Dear Parents & Carers,

Upcoming Building Works on School Site Phase 1 from 22nd June - Church End

We are writing to inform you that building works will shortly be taking place on the school site as we begin our journey to become a Primary School.

To ensure the safety of pupils, staff, and visitors, Heras fencing will be installed around the designated work area. This will securely separate the construction zone from the rest of the school grounds. Please see the site plan on page 2 that has been shared with us by the building contractors. This clearly shows restricted areas.

As a result of these works:

- Access to certain areas of the site will be restricted.
- Some usual routes around the school may be temporarily altered.
- Clear signage will be put in place to guide everyone safely.

We are working closely with contractors to minimise disruption to the school day, and all necessary health and safety measures will be strictly followed.

We kindly ask for your cooperation in observing all safety signage and instructions, particularly during drop-off and pick-up times. As the fencing is erected, we will be assessing field and playground access. We will advise parents of any changes to access to the school field and playground after school hours.

Most class afternoon collection will remain unaffected in this first phase. Year Three will be collected from the bottom part of the main playground (next to the PE sheds), their teachers will wait with them.

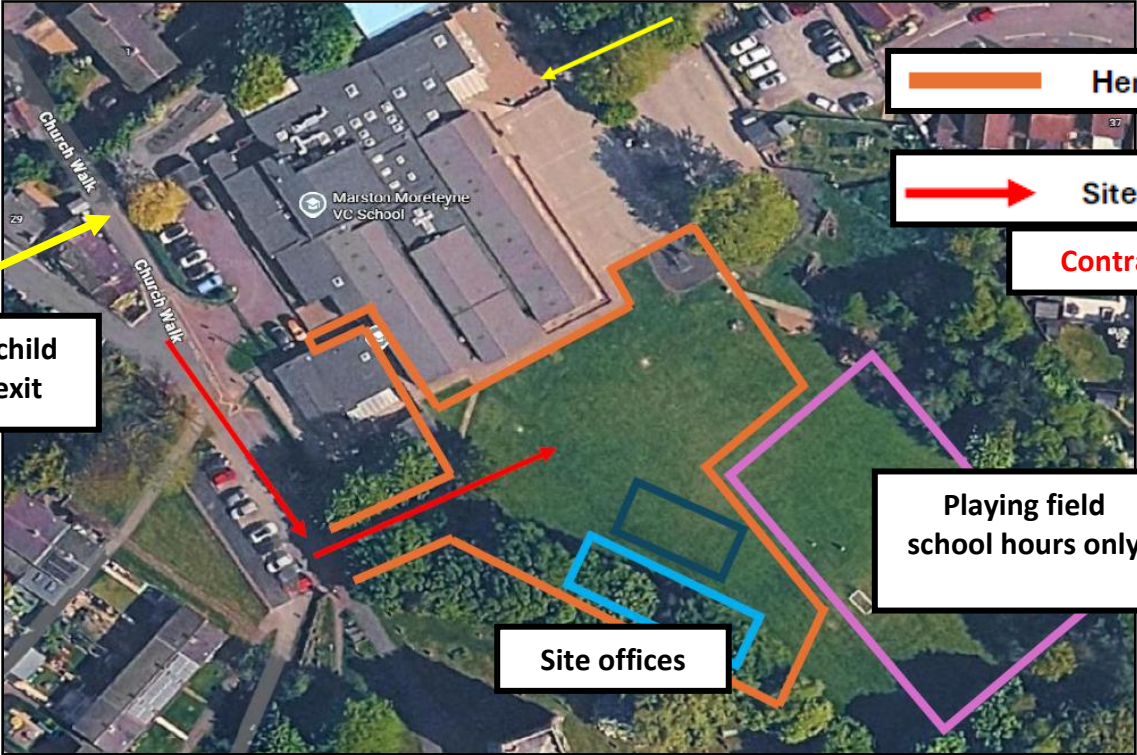

If you have any questions or concerns, please do not hesitate to contact the school office.

Thank you for your understanding and continued support in keeping our school site safe.

Yours sincerely,

Mrs A Watts and Mrs N Straccia
