Value of the Half Term: **Truthfulness**

Tuesday 16th June 2026

Dear Parents & Carers,

Upcoming Building Works on School Site Phase 1 from 22nd June – Forest End

We are writing to inform you that building works will shortly be taking place on the school site as we begin our journey to become a Primary School.

To ensure the safety of pupils, staff, and visitors, Heras fencing will be installed around the designated work area. This will securely separate the construction zone from the rest of the school grounds. Please see the site plan on page 2 that has been shared with us by the building contractors. This clearly shows restricted areas.

As a result of these works:

- Access to certain areas of the site will be restricted.
- Some usual routes around the school may be temporarily altered.
- Clear signage will be put in place to guide everyone safely.

We are working closely with contractors to minimise disruption to the school day, and all necessary health and safety measures will be strictly followed.

We kindly ask for your cooperation in observing all safety signage and instructions, particularly during drop-off and pick-up times.

Most class afternoon collection will remain unaffected in this first phase. Although, Year 1 will have some changes to their drop off and pick up locations due to reduced space. Beech 3 will be dropped off and collected at their usual door and Beech 4 will be dropped off and collected at the Orchard door (see map).

If you have any questions or concerns, please do not hesitate to contact the school office.

Thank you for your understanding and continued support in keeping our school site safe.

Yours sincerely

Mrs A Watts and Mrs N Straccia

Phase 1 from 22nd June - Forest End
