Value of the Term: **Wisdom**

1st September 2026

Dear Parents, Carers and Children,

A very warm welcome back to school for the new academic year. We hope you have all enjoyed a restful and enjoyable summer break and are feeling refreshed and ready for the exciting year ahead.

We are looking forward to welcoming both familiar and new faces across the school. A special welcome goes to our new Acorn children who are starting school for the first time and to our first cohort of Year 5 pupils, as they begin their learning journey in our new Year 5, albeit temporary, classrooms. We are happy to open these new learning spaces, which will provide an environment for creativity, collaboration and achievement whilst we wait with anticipation for our new Upper Key Stage Block to be built.

There will be a few adaptations to the end of day collection points - please refer to the plan of the school on page 2, as this shows allocated collection points at the end of the day for each class. Year 5 children will be dismissed from their classroom and may walk home alone or find their parent/carers in an agreed place on the playground/school site.

As building work continues on site, we kindly ask that all parents, carers and children leave the school site by **3:45pm each day**. This is an important health and safety requirement as the outside space is compromised.

We appreciate that many families enjoy spending time together after school. There are several local parks and open spaces nearby where children can play and socialise safely after collection. Your support in helping us keep the school site clear and safe during this period is greatly appreciated.

Thank you for your cooperation and understanding as we complete these exciting improvements for our pupils.

We look forward to working together to make this another successful and happy year at Marston Moreteyne VC School.

With best wishes,

Nicky Straccia
Headteacher
